CONTENTS

Preface.....	ix
Acknowledgements.....	ix
Past – Present – Future — In A Nutshell.....	1
Part 1	Page
The Development of Hyperbaric Chamber Design Traced Back to the Very Beginnings	
1660 ROBERT BOYLE, Irish Naturalist.....	9
1662 HENSHAW, English Clergyman.....	10
1774 JOSEPH PRIESTLEY, English Theologian, Philosopher, Chemist and Physicist ...	10
1789 ANTOINE LAURENT LAVOISIER, French Chemist.....	11
1796 BEDDOES and WATT.....	12
1832 TABARIE.....	12
1834 JUNOD, France.....	12
1836 PRAVAZ, Lyon.....	12
1837-1877 Pneumatic Centers.....	12
1855 EUGÉNE BERTIN, French Doctor of Medicine.....	13
1858 Prof. Dr. GEORG von LIEBIG, Doctor at the Spa of Bad Reichenhall, Germany	14
1860 Oshawa, Ontario, Canada.....	15
1861 CORNING, New York, USA.....	15
1866-1925 Pneumatic Chambers.....	15
1875 CARLO FORLANINI, Italy.....	21
1876 DANIEL KELLY, Chicago, Illinois, USA.....	22
1877 PAUL BERT, French Scholar and Politician.....	23
1878 (About) PAUL BERT, Animal Experiment Chamber.....	25
1879 FONTAINE, French Surgeon.....	26
1885 C. W. MOIR, English Engineer.....	27
1895 REDLICH and BERGER Ltd.....	28
1895 C. W. MOIR and HUGH SNELL.....	30
1905 JOHN SCOTT HALDANE, English Professor.....	31

Part 1 Continued	Page
1910 (About) Sanitary Lock aboard S.M.S. VULKAN, Germany	32
1912 (About) SCHRADER, Experimental Diving Tank	33
1913 Foldable Monoplace Recompression Chamber, Germany	34
1913 Diving and Pressure Simulator, Germany	35
1921 Treatment Chamber of ORVILLE J. CUNNINGHAM, USA.....	37
1928 Treatment Chamber of ORVILLE J. CUNNINGHAM, USA.....	38
1930 (About) Recompression Chamber, Great Britain	39
1930 (About) O ₂ -Rescue Chamber for Birds	40
1941 Monoplace Telescope Chamber, Germany	42
1941 Naval Research Institute for Submarine Medicine, France	43
1945 (About) From Riveted Plates to Welding Seams.....	44
1954 The Origin of Hyperbaric Medicine in The Netherlands	45
1957 JOSEF PETER REUSCH, Medical Doctor, Germany	47
1959 HBO-Center at the Wilhelmina Gasthuis, The Netherlands.....	49
1960-1976 Monoplace and Multiplace Chambers, Germany	52
1964 Monoplace HBO-Treatment Chamber, Germany.....	54
1967 HBO-Unit at the University Hospital, Germany.....	55
1965-68 Diving Simulators at COMEX, France.....	57
1968 Diving Recompression Chamber, USSR	59
1970 Monoplace HBO Chamber, OXYFULM, Germany	60
1970 The Buffalo Diving Simulator, USA	62
1971 1,000 m-Diving Simulator, Germany	63
1971 Three-Chamber System for Hyperbaric Oxygenation, Austria.....	64
1972 Hyperbaric Unit at the All Union Center for Surgical Research, USSR	65
1975 Large-Volume Diving Simulator Naval Coastal System Laboratory, USA	68
1976 Gesellschaft für regenerative Überdruck-Therapie, Germany.....	70
1976 Diving and Pressure Simulator, Gelendic, USSR	71
1979 The Non-Enforced Flat Plate, A New Era in Pressure Chamber	73
Construction has begun, Germany	
1982 Diving and Pressure Simulation System, Germany	75
1983 Monoplace Chamber of AIROX, HYSEAL, Scotland.....	77
1987 (About) Multiplace Diver Recompression Chamber, Germany.....	79

Part 1 Continued	Page
1989-1999 Medical Chamber HAUX-STARMED, Germany	80
1990 Diving Simulator of the German Navy	82
1990 Clinical Hyperbaric Chamber at 60th Medical Group, USA	83
1991 Multiplace Chamber HAUX-SPACESTAR, Germany.....	85
1995 The Japanese Giants, Japan	87
1996 SECHRIST Standard Monoplace HBO-Chamber, USA	89
1996 PERRY Monoplace Chamber Sigma Plus, USA	90
1997 Hyperbaric Medicine Unit, Austria	91
1990s Cubic Concrete Chambers, USA.....	92
1997 HBO-Technology Made in Italy	94
1997 Rectangular HBO-System, Germany	96
1998 Monoplace Chamber BAROCOMPLEX BLKS 307, USSR	98
1998 AMRON Double Lock Chamber, USA.....	101
1964-1999 HBO-Technology in China.....	102
1999 HBO-Chambers in France	105
1999 Hyperbaric Chambers Made in Mexico	108
1999 HAUX-QUADRO 2600/2400 and 3000/2600.....	110
1994 Dr. ALFREDO CEA's High Safety Hyperbaric Chamber	115
What Does the Future Design of Clinical Hyperbaric Chambers Look Like?	117
Part 2	
Appendix: Formerly and Today	131
